Dear Parents,

It is with great enthusiasm that we contact you this year to participate in our P.T.S.O. (Parent Teacher Student Organization). Our school is committed and eager for parents to be involved in activities and become members.

Our P.T.S.O. consists of parents of all grade levels who contribute with their time by helping with functions and seasonal activities. By attending meetings you will have an opportunity to voice your opinions and interact with other parents. Together we can work for the benefit of our students and school.

We look forward to seeing many familiar faces, as well as new ones in the upcoming events. If you are interested in participating in the P.T.S.O., please indicate it below.

* Please send your reply by e-mail or send it with your child. *

Sincerely,
Beatriz Brito
