Dear Esteemed Applicant,

Thank you for your interest in attending Brito Miami Private School. International students who wish to be considered for admission at our institution must present the following documents:

- Admission Application
- Academic transcript.
- Copy of passports for the student and parent/s
- Letter of good conduct/recommendation from current school
- An original bank letter certifying means of financial support.

After the student is accepted for enrollment, the parents or sponsor must complete all required documentation. In addition, the yearly tuition and school expenses must be paid entirely in advance by wire transfer or cashier's check including a non-refundable application fee of \$400.00 and a \$750.00 processing fee.

An International Student Package will be provided to the student following the completion of the admission process. This package contains the Certificate of Eligibility (Form I-20) which must be taken to a United States Embassy or Consulate to obtain an F-1 visa for the applicant to enter the United States as a student.

Furthermore, in order for students to be permitted to attend classes the student's immunization record from their home country must be taken to a physician from the State of Florida to obtain a School Entry Health Exam and Florida Certification Immunization Form. These forms are required by the Department of Health and must be presented to the school. In addition, when the student arrives to the United States, grades must be officially translated and submitted to the school. If you should have any questions, feel free to contact me.

Sincerely,

Glenda Gomez-Hidalgo
